

Visualizing Rubric

Objective	1	2	3	4
The student is expected to monitor and adjust comprehension (e.g., using background knowledge, creating sensory images, rereading a portion aloud)	No images; or images bear no relationship to text	Images illustrate one or two items directly mentioned in text. (Perhaps not the most important images to have)	Images illustrate key elements of the text and are helping the student become involved with the text	Images illustrate key elements of the text and student is able to describe what they are visualizing and why it is helping them understand the text
